

BUTLER THEATRE PRESENTS NEW BILL

The Butler theater opened its new bill last night to a packed house, and it was a house that went away tickled to death with itself and the performance. There were some "bally" things among the films, particularly "The Wire Tappers," a race track story; "Poor Little Mites," and "Buying a Donkey." This last, especially, made a great hit, and was uproariously received. The illustrated songs were "The Boys are Coming Home To-day," and "At the Old Cross Roads."

There will be a child's automobile given away at the matinee tomorrow, and the first numbers for the drawing were given out at the two performances of last night.

MINERS' UNION CHRISTMAS TREE

WILL FURNISH PLEASURE FOR THE CHILDREN OF TONOPAH.

The Christmas tree of the Miners' Union to be given tomorrow afternoon for the pleasure of the children of Tonopah will be a great treat for the little ones and for their parents. Every child is invited as a guest of the miners, and those who so desire may send presents to be hung on the tree. The exercises will begin at 2 o'clock in the afternoon.

At night there will be entertainment for the big folks. The band will be in the hall at 7:30, when a concert will be inaugurated and will last for about an hour, after which there will be a smoker for the miners and their friends. Incidental to this entertainment there will be a couple of boxing contests which promise to be exciting, and there will be a lot more good things uncorked.

DOINGS IN THE SOCIAL REALM

COTILLION CLUB TO HAVE DANCE TONIGHT—MILLERS SCHOOL HOUSE BENEFIT.

There will be a dance at Millers on New Years eve for the benefit of the school fund, to raise the debt on the school house. The ball will take place at the Lindsay hotel, which is most excellently equipped for the affair. There will be a special train going from Tonopah, and a large attendance from this city is expected. The tickets are \$2 each, the admission including lady and gentleman.

The largest attendance yet of the Tonopah Dancing Club filled Millers' Hall on Saturday night, and the occasion was a most enjoyable one. Everybody had a good time to the inspiring strains of the good music, and is going to the next dance without a doubt.

The Cotillion Club will have its weekly dance tonight instead of tomorrow night as is its custom, the reason for the change of date being on account of Christmas falling on Wednesday. This is a strictly invitation affair, and promises to be a very select and enjoyable occasion.

He has decided to accept the call of the Westminster church of Ontario, Cal.

The passing of Mr. Klass will be received with regret, not only by the members of his congregation, but by a large number of the community, who have enjoyed his intercourse. He is a scholarly gentleman, and has been a most interesting personality in Tonopah since his arrival in 1904. The desire for his future success is universal, and the best wishes of the community will follow him to his new call.

COBWEB IS UNDER NEW MANAGEMENT

POPULAR RESORT WILL MAINTAIN ITS PAST FINE REPUTATION.

Grant Crumley yesterday sold the Cobweb saloon to E. J. Uren, well and favorably known in the city. The payment was made with a check on the Nye and Ormsby County Bank, where Mr. Uren has a comfortable account on deposit. The new proprietor of the Cobweb will repeat the success of that popular resort, for he has the faculty of making friends, and of keeping them. Like his predecessor, he will have only the finest liquors and wines and the best of cigars, and his pleasing personality will do the rest.

Mr. Crumley will, in a few days, open his palatial saloon in the State Bank and Trust Company building, on the corner of St. Patrick street and Brougher avenue. It is, without a doubt, the most magnificent establishment of its kind, not only in the State, but it has no superior this side of New York. All success to Grant Crumley in his new departure.

A. J. AYLESWORTH LEASES PAVILION

WILL PRESENT MELODRAMATIC SUCCESS, "HUMAN HEARTS," THIS WEEK.

Arthur J. Aylesworth has taken a lease of the Eagles Pavilion for a number of years, and is going to present to Tonopah the best that is to be had in the way of attractions. This week he will give us two nights and a matinee, and the production will be the melodramatic success, "Human Hearts." This is said to be one of the strongest emotional plays ever written, and has scored a great hit wherever it has been produced. It has a strong love story running through it, and the melodrama is spiced with wit and humor. It is said to be the character of the play that appeals to all classes.

The opening performance will be on Friday night, and there will be a special matinee on Saturday, and another performance that evening.

SOUTHERN NEVADA HAD A BUSY DAY

GREAT MERCANTILE HOUSE DOES RECORD-BREAKING BUSINESS.

The Southern Nevada Mercantile Company is ready for a busy day, and without a doubt will have it. A more elaborate display has never been seen in this city than that which will be opened up to the public gaze in the company's store this morning. In one of the windows is an immense Christmas tree, tastefully trimmed, and depending from the ceiling, to the main floor, and back to a large electric lamp, are streamers of varicolored crepe and holly berries.

Under these yuletide decorations is a most tempting display of fruits and green vegetables, the fruit shiny and inviting, the vegetables crisp and fresh, and back of them are boxes of apples and oranges. On the counter is an arrangement of wines of the very best, which would do credit to the biggest store in San Francisco. The business yesterday was the greatest in the history of the establishment.

The dance of the Cotillion Club, which is usually given on Wednesday night, will take place this evening at the Miners' Hall. The dance is a strictly invitational affair, and this is sufficient guarantee of the character of the function. It
